Or share with us at participation@craftscouncil.org.uk for us to share!

1.

Cut the front and top sides off the cardboard box.

2.

Stick the plain card to the back side and decorate to make your background.

3.

Twist the newspaper to make your tree branches. Paint with PVA glue and stick into your toilet roll. When its dry, paint your tree.

4.

Scrunch up more newspaper to make tree roots and bushes. When they're dry, paint them too.

5.

Make a character from modelling clay or use a toy as the star of your animation.

6.

If you have access to a smart phone, download some free software like Lego Movie Maker or Stop Motion Studio to bring your animation to life!
