Education

2020-2021 - In Production, London.

2020 - A long weekend at the wheel - Turning Earth, London.

Focused weekend developing skill at the wheel.

2019 - Summer ceramics immersion week - Turning Earth, London.

The course put me on another level. This course covers both hand-building techniques and wheel throwing, with a bit of extra on how to use the glaze.

2018-2019 - ArtInsieme - Italy.

It all begins with an idea. Maybe you want to launch a business. Maybe you want to turn a hobby into something more. Or maybe you have a creative project to share with the world. Whatever it is, the way you tell your story online can make all the difference.

2017 - Weekend pottery course - London.

My first - weekend ceramic course - in my adult life, was at blueguypottery studio based in London run by the fantastic Thidaa.

1986 - Introduction to clay - Fivizzano Ceramic Studio, Italy.

I was 10 years old and this was my very first introduction to clay - beginner course open to everyone. Learned handbuilt and decoration techniques.
